Purdue Honors College  
May 2017

## EDUCATION

### PURDUE UNIVERSITY

Bachelor of Science in Computer Engineering Honors  
Electronic Art Minor  
West Lafayette, IN

MAY 2020

GPA - 3.63 / 4.0

## WORK EXPERIENCE

### SPOTIFY

Web Engineering Intern  
New York, NY

JUN-AUG 2020

Built a new vertical for the Spotify Wrapped 2020 web experience with the Growth Opportunities mission. Implemented market localization, SEO, logging, monitoring, and responsive design.

### SNAPCHAT INC.

Software Engineering Intern  
Los Angeles, CA

JUN-AUG 2019

Developed on-boarding and account recovery features with the Growth team. Performed bug, accessibility, and globalization fixes on the Android platform. Optimized user experiences using A/B testing.

### THE WALT DISNEY COMPANY

Software Engineering Intern  
Seattle, WA

MAY-AUG 2018

Designed a continuous integration and deployment pipeline for a Tier 1 enterprise technology service. Interviewed developers and stakeholders to learn best industry practices for functional, security, and unit testing.

### PURDUE UNIVERSITY HONORS COLLEGE

Student Recruiter & Lead Ambassador  
West Lafayette, IN

AUG 2017-PRES

Lead team of ambassadors and coordinated outreach events. Engaged perspective students in tours and presentations to promote honors academics. Represented Purdue at national honors college conferences.

## SELECTED PROJECTS

### CUE APP

Created a mobile app using the Spotify API to facilitate song requests at events. Users can suggest and upvote songs in the queue, and songs with more upvotes play sooner. Cue was one of the top 10 most popular Product Hunt products on launch day and currently has over 400 users.

JAN 2019

### PURDUE STUDENT ENGINEERING FOUNDATION WEBSITE

Built our organization's web presence from the ground up to serve as a point of contact for the 200+ students and parents visiting Purdue every week.

AUG 2018

### PURDUE IRONHACKS OPEN DATA HACKATHON

Web app won prize for best designed solution. Used React and Google APIs to help users find safe and affordable housing in New York City.

DEC 2017

## ACTIVITIES

### PURDUE STUDENT ENGINEERING FOUNDATION

Technology & Web Director

Worked to raise awareness of opportunities for engineering education, and provided tours of engineering facilities to prospective students.

JAN 2017-MAY 2020

### PURDUE ORIENTATION TEAM SUPERVISOR

Welcomed new students during Boiler Gold Rush

MAR 2017-AUG 2018

### HONORS ENGINEERING PEER MENTOR

Mentored 11 students in first year engineering

AUG 2017-MAY 2019
